Dear Lucy

I write to thank you for your kind donation of £500 towards the work of FareShare South West. This donation will contribute towards our running costs and will help us to deliver food to the most vulnerable people in the South West.

This will pay for around a tonne of food to be delivered which will provide approximately 2,381 meals. Around 4.5 tonnes of CO2 equivalent would have been emitted to produce this food and a further 1.5 tonnes of CO2 equivalent would have been given off if this food had been landfilled, so you have helped the environment as well as people in danger of food poverty.

We welcome visitors and would love to show you around, if you would like to see our operation please let me know. Also if you would like to come and help our operations for a session let me know. We also host events such as Feeding the 5000 Bristol which will take place on College Green, 1<sup>st</sup> June 2013. We are seeking volunteers to help so if this is something you and your family would like to do I will add you to our mailing list.

Thanks again and hope to see you soon.

Kind regards,

Jacqui Reeves  
Project Director  
FareShare South West
